

Ellesmere College Riyadh Uniform Policy

Introduction:

At Ellesmere College Riyadh, we uphold a uniform dress code to foster a sense of community, ensure equality among students, and prepare them for a professional environment. Our policy reflects the school's commitment to discipline, unity, and a respectful learning atmosphere.

Uniform Standards:

Daily Wear:

All students must wear the official school uniform daily unless specified otherwise for special occasions or non-uniform days.

PE Kit:

- The PE kit is required for Physical Health Education (PHE) classes. Students should use change rooms before and after these classes for convenience and comfort.

Presentation:

- Uniforms should be clean, well-maintained, and worn properly to reflect pride in the school and personal grooming standards.
- Any accessories worn with the uniform should be modest, functional, and not detract from the uniformity of the dress code.

Seasonal Variations:

- The school may introduce seasonal variations to the uniform, such as lighter materials for hotter months or additional layers for the colder season.
- Variations for special events or dress-down days will be communicated in advance.

Non-Compliance:

- Strict adherence to the uniform policy is expected of all students. Non-compliance will be addressed according to the school's disciplinary procedures.
- Repeated infractions will be documented and could lead to further disciplinary actions.

**Additional Guidelines:**

Footwear: Appropriate and comfortable footwear should be worn, suitable for a range of school activities.

Outerwear: Coats, jackets, and other outerwear should be neutral in color and style, and should not bear any logos or images that contradict the school's values. Outerwear that is not part of the school uniform cannot be used inside the school.

Policy Enforcement:

- Teachers and administrative staff will monitor compliance with the uniform policy.
- Parents are expected to support the school's policy by ensuring their children are dressed according to the guidelines.

Review and Amendments:

This policy is subject to review and may be amended to better serve the needs of our school community. All stakeholders will be notified of any significant changes.
